STYLISTS ARE TORN! ARE THOSE flesh-toned stockings **Kate Middleton** sported during her North American tour sheer genius or a fashion gaffe? "They're actually quite sexy," says fashion expert Mary Alice Stephenson, who has worked with **Renée Zellweger** and **Liv Tyler**. "You

get the look of a flawless leg." Not everyone, though, is a fan. "I haven't heard of people wearing them since 1988, when they were required attire at offices," says stylist Amanda Ross, who counts **Brooke Shields** as a client. "If you feel panty hose are a must, I say wear pants." **ERICKA SÓUTER**
